CONSENT TO SEARCH

I, _____ (Parent/Guardian), and _____
(Juvenile) have both been informed by _____ (Court Officer) who
identified himself/herself as a Recovery Court Probation Officer for the Bradley County Juvenile
Court, of their intent to search for all illicit drugs, nicotine products, and drug paraphernalia in
the following locations:

I have been advised that I am consenting to an unwarranted search. I have been informed
of my constitutional right to not consent to an unwarranted search and for which the court officer
shall be required to obtain a search warrant from a competent court prior to conducting any
search to the above-mentioned property or premises. I have likewise been informed that I have
the right to stop the search at any time if they are not in possession of a warrant granted by a
competent court. I further understand that I have a right to refuse the search, however, in the
event my consent is withdrawn by revoking this consent form I understand that my refusal could
end in consequences adverse to my interests. (Including but not limited to a violation of my
probation.)

Given the pronouncements above, **I am signing this instrument expressly waiving my
constitutional right against warrantless searches and seizures and certifying my consent for
the search to be conducted by the Recovery Court Probation Officer in absence of a
warrant and to seize any evidence found by them.** I hereby declare that the consent or
permission is given by me freely and voluntarily without any threat, coercion, promises, duress
or intimidation, whether express or implied.
